

WINDSOR, LONDON & SURROUNDING AREAS

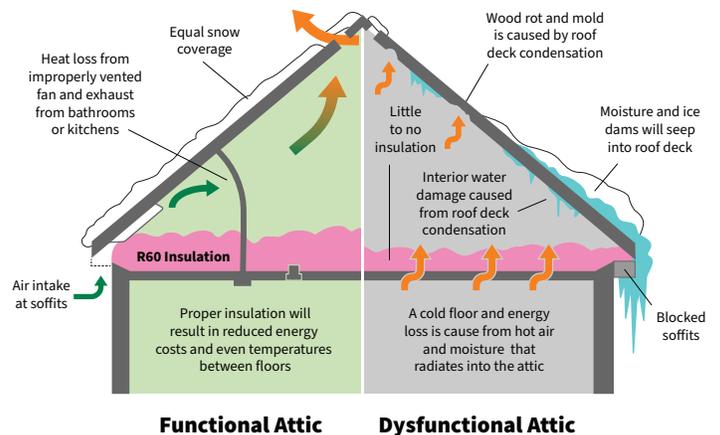

## REBATE PACKAGE

Installing a minimum 96% efficient furnace, tankless hot water heater, and insulating your attic from R12 to R60 qualifies for a rebate of **\$2600 + \$1200** for a home energy assessment.

# ATTIC INSULATION

## Did you know?

-  Topping up your attic can save up to 30% on your energy bills
-  Not having proper attic insulation can result in condensation in your attic, ice damming on the roof, and mold issues.
-  Insulating your attic will lengthen the lifespan of your heating & cooling equipment. Also, it will run more efficiently.
-  Homes built as recent as the 2000's only have half the amount of insulation recommended today.
